MAN confers "Future Award"

For the second time since 2002, the MAN Group is to confer the "MAN Future Award" for outstanding technically-oriented economic work to the Munich University of Technology. The Award, which includes prize money of €5,000, will be conferred at 5.30 p.m. on Tuesday 24 June 2003 in the Audimax of the Munich University of Technology in Arcisstraße 21. Speeches will be delivered by Dr. E.h. Rudolf Rupprecht, Chairman of the Executive Board of MAN AG, Professor Dr. Ernst Rank, Vice-President of the university and Professor Dr. Dr. habil. Horst Wildemann, who holds the university's chair of Business Administration with the focus on logistics. Following the award presentation ceremony, a reception will be held in the Audimax foyer.

The objective of the MAN Group's "Future Award" is to encourage and support young people who produce outstanding performances in the field of technically-oriented economics. Such qualifications are hard to find in today's labour market and they are of vital importance to the companies of the MAN Group.
