

## 'Comfort Parts' – Single Invoicing for Parts Purchases

Comfort Parts comprises the following

- Supply of parts throughout the MAN Dealer Network on production of a written purchase order
- Single, monthly invoice for all parts purchased throughout the MAN Dealer Network and charged to MTBUK
- Agreed National Parts Discount as set out in the 'Applicable Discount' field
- Provision of a single invoice including a detailed report of parts spent relating to the applicable invoice

Handling of MAN Ecoline® exchange parts:

- If a MAN Ecoline® exchange part is supplied the dealer will ask for the old core back.
- If the core will not be handed over immediately the dealer will invoice the customer directly.
- 'Bad Core' defines returned parts that are in a condition unfit for refurbishment
