MAN Engines

COVER THE UNEXPECTED.

Gold Standard Premium (GSP)

In addition to the warranty ex works (two years) you have the option of taking out additional coverage for yourself and your investment:

Gold Standard Premium gives you the option of extending the original warranty up to three more years, meaning a total warranty period of five years. For the additional three years, the warranty can be concluded for 2,500 or 4,000 operating hours. All engine components are completely covered.

MORE COMFORT.

You have nothing to worry about with the **MAN Gold Standard Premium (GSP)**. The extended warranty protects you against unexpected repair costs of all your MAN branded engine room components, including costintensive components such as electronics and turbo chargers. And because MAN's GSP is transferable, you're safe in the knowledge that you're not only protecting your investment but maximising its resale value at the same time.

Engine Type	Coverage duration
i6-730 / 800 / 850	up to 5 years 2,500 or 4,000 hours ¹⁾
V8-1000 / 1200 / 1300	
V12-1400 / 1550 / 1650	
V12-1800 / 1900 / 2000	

1) for privately used yachts only

The benefits of your Gold Standard Premium extension at a glance:

- Coverage of all MAN components in your engine room (including electronics & turbo-chargers)
- The transferability to subsequent owners increases the resale value of your yacht
- Peace of mind beyond the standard warranty
- Protects your investment against unplanned repairs
- Remaining flexible because you can opt for the warranty extension within the first two years
- Adaptable to your needs and lifestyle (2,500 or 4,000 hours)
- All repairs under GSP are carried out by an authorised MAN service partner
- Only MAN Genuine Parts are used
