MAN ServiceContracts.

With tailor-made planning security, we help you to lower costs and increase vehicle availability with a MAN ServiceContract. The various MAN ServiceContracts offer a scope of services, guaranteeing you maximum coverage at a minimal expense.

Our proactive MAN ServiceCare S* digital maintenance management is included in all MAN ServiceContracts, enabling your MAN service outlet to coordinate and combine the planning of maintenance and repair appointments. You have the choice of the following service contracts:

ComfortOil

Oil Change

MAN ServiceCare S*
MAN ServiceCare M**

This service is our inexpensive entry-level product to maintain the quality of the vehicle by providing optimal servicing and the right oils for the engine, axle, and gearbox (including valve clearance adjustment). A warranty covering the driveline or entire vehicle can be added.

Comfort

Maintenance & Service

MAN ServiceCare S*
MAN ServiceCare M**

The Comfort service contract covers all servicing and inspection work listed in your vehicle's maintenance plan. In addition, MAN will take care of the contract management for you, relieving you of the organizational and administrative workload.

ComfortPlus

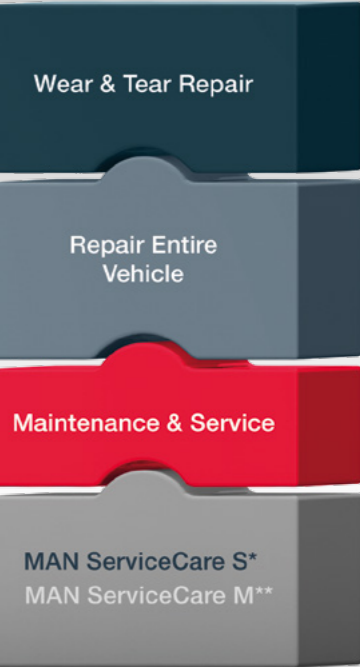

Extended Warranty

Maintenance & Service

MAN ServiceCare S*
MAN ServiceCare M**

The ComfortPlus package includes all of the Comfort services with the addition of an extended warranty. The driveline warranty forms the basis here, which can be extended to include the entire vehicle warranty.

ComfortSuper
